DESIGNING CARS IS FUN

At Mitsubishi Motors and Pininfarina we know all about that. We've made a career out of it. In fact, we enjoy it so much that we made the new Mitsubishi Colt CZC Coupé-Cabriolet the most complete coupé-cabriolet on the market today. The lines are magnificent, the interior is second-to-none and performance-wise it simply leaves the rest standing. So join in the fun and consider the accessories that will give your new car the personal look and feel you like. Inside and out. From sports pedals to side skirts.

But when you get there, you don't want to go straight to the hairdresser. And you don't want to worry about it being stolen either.
